Weekday Service

Diagram illustrating a fire starting on the 11th floor of a 14-story building. The fire is shown as a flame icon on the 11th floor. The building structure is shown with floors labeled 1st ST through 14th ST. A thick black line highlights the path of smoke or fire spread from the 11th floor up to the 14th floor. Arrows indicate the direction of spread: one arrow points left from the 11th floor, and another points up from the 11th floor towards the 12th floor.
